About Regional Food Hub - Abu Dhabi

Discover the region's finest food trading and logistics platform, developed in collaboration with Rungis- the world's leading food market

Regional Food Hub - Abu Dhabi in Collaboration with Rungis is a public-private partnership between AD Ports Group and Ghassan Aboud Group. It's a purpose-built marketplace to facilitate domestic and international food trade.

With modern infrastructure facilities, supported by an ecosystem of logistics services providers, government-backed services, and general commercial services, the market is set to become the region's new centre for food trading and logistics.

The advantages of choosing Regional Food Hub - Abu Dhabi

It will provide an integrated ecosystem comprising trading pavilions, logistics providers, cold and dry warehouses, government support services and commercial support services.

Robust physical and digital platform for all stakeholders including buyers, sellers, traders, regulators, service providers, etc.

Region's first wholesale food market trading in all food categories from fresh produce, meat & poultry, seafood and all kinds of dry foods

Excellent infrastructure and multimodal logistics facilities with access to the UAE's well-established regional and global connectivity

Operational processes & facilities conforming to international food health, hygiene and safety standards

About Rungis International Market

Rungis International Market is the largest wholesale fresh food market in the world with €10 billion worth of products traded each year and attracts prestigious markets operators and customers.

The management company of the market, SEMMARIS, possesses unique know-how in developing and managing wholesale markets and logistics hubs.

With over 40 years of experience in direct or indirect participation in the development of fifty wholesale markets in some 40 countries, the market has been developing rigorous and effective working methods.

This makes the Rungis SEMMARIS approach truly unique as it stems from the ability to combine expert consultancy capabilities with the unparalleled practitioner's experience derived from managing the world's largest fresh produce market for close to 50 years now.

About AD Ports Group & KIZAD:

Established in 2006, AD Ports Group today serves as the region's premier facilitator of logistics, industry, and trade, as well as a bridge linking Abu Dhabi to the world.

Part of ADQ, one of the region's largest holding companies with a broad portfolio of major enterprises spanning key sectors of Abu Dhabi's diversified economy, AD Ports Group's vertically integrated business approach has proven instrumental in driving the emirate's economic development over the past decade.

Operating several clusters covering Ports, Economic Cities & Free Zones, Maritime, Logistics, and Digital, AD Ports Group's portfolio comprises 10 ports and terminals, and more than 550 square kilometres of industrial and economic zones, the largest integrated trade, logistics, and industrial business grouping in the Middle East.

KIZAD, a subsidiary of AD Ports Group, under its Economic Cities & Free Zones portfolio, is strategically located between Abu Dhabi and Dubai - with the deep-water Khalifa Port as its maritime gateway. KIZAD is Abu Dhabi's integrated trade, logistics and industrial hub facilitating sustainable growth in metals, polymers, food, automotive, water and oil and gas. KIZAD is one of the world's largest economic and industrial zones, spanning across 410 square kilometres.

About Ghassan Aboud Group

Ghassan Aboud Group is one of the most progressive international conglomerates, headquartered in the United Arab Emirates, with a footprint across Australia, Belgium, Jordan and Turkey.

Established in 1994 by Ghassan Aboud, a highly successful entrepreneur, businessman, and philanthropist, the group has evolved from its early foundations in the automotive industry to a conglomerate holding some of the most highly coveted brands in multiple sectors in the region and beyond.

GAG affiliates operate in activities ranging from Automotive, Retail, FMCG, Media, Hospitality, Logistics, Healthcare, Catering, and Digital Marketplaces. With relentless pursuit to grow and add significant value to economic development, Ghassan Aboud Group is engaged in activities across the food value chain, from Farm to Fork – from food production and processing to marketing and distribution at a retail level.

GHASSAN ABOUD GROUP
Building a better future... together

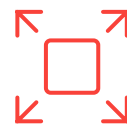

Master planned to serve the food industry within the UAE and the wider region

The development will be spread across a total of 3.3 sqkm comprising various facilities such as market halls, open markets, cold stores, specialised storage facilities, food handling facilities, etc.

It will be a regional food centre for importers, traders, local farmers and producers, food distributors, and exporters looking to explore the rapidly growing markets in the Middle East and North Africa.

Development area covers 3.3sqkm

Cold storage facilities

Market halls and open market

Regional food centre

The perfect location for the food industry in the region

Strategically located in KIZAD and adjacent to 311 and E11, the development offers access to key source and consumption markets through multimodal connectivity by sea, land, and air.

- **15 km from Khalifa Port**
- **36 km from Abu Dhabi Airport**
- **35 km from Al Maktoum International Airport**
- **36 km from Jebel Ali Port**
